2.0 cu. ft. and 4 microfilm reels

DESCRIPTION: The Legislature of 1909 enacted four Capitol Building bills which were approved by the governor on the 11th day of March, 1909. One of these bills, designated Chapter 64 of the Laws of Utah, created a Capitol Commission consisting of seven members including: the Governor, the Secretary of State, the Attorney General, and four members to be appointed by the Governor. The other three bills, Chapters 65, 66, and 67, provided for funds to meet the cost of the building not to exceed \$2,500,000.00. Members of the commission were Governor William Spry, Secretary of State C.S. Tingey, Attorney General A.R. Barnes, John Dern, C.E. Loose, M.S. Browning, and John Henry Smith. The Commission was "... authorized, empowered and directed to cause a suitable design, together with plans and Specifications . . . to be prepared for the erection of a State Capitol upon the Capitol grounds in Salt Lake City" (Laws of Utah, 1909, Chapter 64, Section 4).

This series contains the Capitol Commission's General Correspondence with the bulk of the series addressing the design competition for the building, inquiries from prominent artists and designers including: John Clawson, Cyrus E. Dallin, J. Leo and Avard Fairbanks, G.H. Jack, and Mohonri Young, and numerous suggestions from local citizens. The collection also contains important correspondence to and from the Capitol architect, Richard K.A. Kletting, to various individuals and organizations connected with the construction of the Capitol.

The contract for construction of the capitol was awarded to James Stewart and Company of Salt Lake City with a large part of his correspondence to and from Richard K.A. Kletting contained in this series. Ground breaking ceremonies were held December 26, 1912 with construction commencing April 18, 1913. The cornerstone was laid by Governor William Spry on April 4, 1914.
